# **District Handbook**

September 2018

Members and Colleagues,

The Executive Board of District V hopes this packet of forms, information, and rules will make your school year go more smoothly. We have included our district activities, dates, locations, and chair people.

When entering students in a festival, please remember District Solo & Ensemble and District Band & Orchestra Festival **MUST** be entered **ONLINE**. Appropriate entry fees must be sent along with the printed invoice. The invoice must include your principal's signature. The entry and fee must be postmarked by the deadline stated in our District V Handbook in order to avoid being disqualified from festival participation. **It is strongly recommended directors send entries and fees via registered mail with a return receipt, so there is a confirmation of receipt.** It is a good idea to always keep a copy of your entry forms for your own files.

If you find yourself in doubt, please do not hesitate to call a member of the Executive Board. We are here to help you. Remember all deadlines are firm. If you are in need of help because something is going wrong and you find it difficult to make a deadline, please call the state office immediately **BEFORE** the deadline and they will help you out. The state office number is: 1-800-9-MSBOA-9. Then please call the member of the District Executive Board or the Chairperson in charge of the event and communicate your dilemma with them too.

## Operational Policies

1. **All MSBOA State policies, appearing in the Yearbook, will be considered District policies except where otherwise noted.**

2. **Festival Entry Deadlines:**

All District Festival applications must be postmarked or delivered to the District Officer by the deadline listed in the district handbook. A school that fails to meet the specified deadline date, for any reason whatsoever, may enroll in the festival for an extended limited time of one week by paying a \$25.00 per event late entry fee (for solo and ensemble festival, with a maximum of \$100.00 per school as well as marching band festival) or a \$100.00 per event late fee (for band and orchestra festival). The director must telephone the district festival chairman and inform him/her of the forthcoming application prior to the end of the extended limited week. The application must be postmarked or delivered to the appropriate address no later than the Friday following the original deadline.

In the case of an unscheduled school closing during the week immediately preceding the deadline, the deadline for assessing the late entry fee will be adjusted an equal number of days. The “extended” second week final deadline will not be adjusted. An administrator’s verification of the dates that the school was closed must accompany the application.

A festival application is acceptable when all on-line entry forms have been completed, an administrator has signed where appropriate, and the check is received.

**Barring the late entry provision of one week, a school will not be allowed to enter a festival.**

3. **Use of Student Teachers:**

District V recognizes the important role its members play in mentoring university student teachers. Participation in district activities while under the guidance of the supervising teacher is valuable experience. However, district festival work assignments are for the district member to fulfill. A student teacher will NOT be considered a suitable substitute for a district member. They can, and should, attend, observe, and may participate under their mentor’s direct supervision in tasks such as running a room and announcing ensembles.

4. **Work Assignments:**

Each district member, after entering students in a festival or district event such as All-Star Weekend, will be given a work assignment designed to promote the smooth

operation of the festival. It is the member's responsibility to complete this assignment as outlined in the MSBOA Yearbook. (See MSBOA Festival Worker Policy.)

This includes attendance at the worker meeting held at the festival site. Failure to fulfill this work assignment will result in disciplinary action against the member.

**5. District V Junior High All-Star Weekend**

The Junior High All-Star Weekend selection committee will consist of the chair, the district Past President, and two members at large, appointed by the district President.

**6. Adherence to Festival Rules**

Each director is expected to follow the rules outlined in the State Yearbook. Each festival participant and its director is expected to conform to rules of good conduct, i.e., observance and care of property, proper behavior patterns and adherence to ALL rules. If a serious infraction has occurred, appropriate action will be taken up to and including disqualification from participation in festivals.

NOTE: Once an event has been accepted for an MSBOA Festival, there will be no refund of fees should the event cancel. Work assignments must also be fulfilled.

## Solo and Ensemble Information-Page 2

*The following are some of the rules which are commonly the cause of misunderstandings, please go over them carefully:*

1. A student may enter a maximum of three (3) events. If a student enters more than one solo, the solos must be on different instruments. Students may perform in two (2) Chamber Ensembles in addition to the above.
2. High school and junior high district festival performers will be allowed 6 minutes for setting up, tuning, and playing the event. The adjudicator will have an additional two (2) minutes for comments and completing the sheet.
3. Solos need not be memorized.
4. Repeats, D.C.'s, or D.S.'s may NOT be added to the music to meet minimum time requirements.
5. Each event MUST provide the adjudicator with an ORIGINAL copy of the solo or an ORIGINAL Full Score (aligned) of an Ensemble, with every measure numbered, or no rating will be given. Check the Yearbook for details.
6. If an accompanying piano part is published for an event, it MUST be played as part of the performance or no rating will be given.
7. Ensembles MUST perform with ONLY ONE person per part as defined by the score.
8. Chamber Groups do not have to play music from any designated list – free selection is permitted. Note the minimum and maximum time limits listed for Chambers in the Yearbook. However, any chamber music that is taken from the MSBOA “Suggested List” meets all qualifications for performance, regardless of performance time.
9. All parts written for an ensemble must be played.
10. Sixth grade students are not allowed to participate in Solo and Ensembles.
11. (District Policy) “Boom Boxes” are not allowed to be used at the festival.

## MSBOA, District V Junior High All Star Weekend Information

The All-Star Weekend will be held on Saturday/Sunday, April 13<sup>th</sup> & 14<sup>th</sup> 2019, at Shepherd High School. There will be one band and one string orchestra.

Five to ten students (depending upon director response) will be chosen from each participating school. Please nominate up to 15 of your **top** players to be considered. This event is open to 8<sup>th</sup> and 7<sup>th</sup> grade students. *Please do not nominate 6<sup>th</sup> or 9<sup>th</sup> grade students unless they are a permanent member of your ensemble.*

A selection committee will meet to decide on the instrumentation and numbers for the All-Star Groups. Placement of chairs and the selection of soloists (if the music calls for such) will be at the nominated directors' discretion. Directors will be notified of selected students within 10 days of the registration deadline. Selected students will be expected to learn the music ahead of the All Star Weekend. There is not time enough to teach notes at the Saturday rehearsals.

Students will have rehearsals and sectionals on Saturday. (Lunch will be provided at no cost to the students.) There will be a brief rehearsal on Sunday before the afternoon concert. There is a \$3.00 admission cost for the concert.

Overnight housing will **NOT** be provided by the host school. Information on motels will be made available.

In order for your students to participate, you must fulfill a work assignment. You will be assigned to assist with rehearsals, lead a sectional, work in the office, or other duties as needed. You will need to remain on site the full day on Saturday. Please refer to the MSBOA State Yearbook worker policy for further guidelines.

Complete the online application with up to 15 of your top musicians. Rank these students in the order you wish to have them considered. Registration will be live in late January, and online nominations are due **NO LATER** than Friday, February 22, 2019.
