# **District Handbook**

September 2019

Members and Colleagues,

The Executive Board of District V hopes this packet of forms, information, and rules will make your school year go more smoothly. We have included our district activities, dates, locations, and chair people.

When entering students in a festival, please remember District Solo & Ensemble and District Band & Orchestra Festival **MUST** be entered **ONLINE**. Appropriate entry fees must be sent along with the printed invoice. The invoice must include your principal's signature. The entry and fee must be postmarked by the deadline stated in our District V Handbook in order to avoid being disqualified from festival participation. **It is strongly recommended directors send entries and fees via registered mail with a return receipt, so there is a confirmation of receipt.** It is a good idea to always keep a copy of your entry forms for your own files.

If you find yourself in doubt, please do not hesitate to call a member of the Executive Board. We are here to help you. Remember all deadlines are firm. If you are in need of help because something is going wrong and you find it difficult to make a deadline, please call the state office immediately **BEFORE** the deadline and they will help you out. The state office number is: 1-800-9-MSBOA-9. Then please call the member of the District Executive Board or the Chairperson in charge of the event and communicate your dilemma with them too.

## Operational Policies

1. **All MSBOA State policies, appearing in the Yearbook, will be considered District policies except where otherwise noted.**

2. **Festival Entry Deadlines:**

All District Festival applications must be postmarked or delivered to the District Officer by the deadline listed in the district handbook. A school that fails to meet the specified deadline date, for any reason whatsoever, may enroll in the festival for an extended limited time of one week by paying a **\$25.00 per event** late entry fee (for solo & ensemble and marching band festivals, with a maximum of \$100.00 per school) or a **\$100.00 per event** late fee (band & orchestra festival). The director must telephone the district festival chairman and inform him/her of the forthcoming application prior to the end of the extended limited week. The application must be postmarked or delivered to the appropriate address no later than the Friday following the original deadline.

In the case of an unscheduled school closing during the week immediately preceding the deadline, the deadline for assessing the late entry fee will be adjusted an equal number of days. The “extended” second week final deadline will not be adjusted. An administrator’s verification of the dates that the school was closed must accompany the application.

A festival application is acceptable when all on-line entry forms have been completed, an administrator has signed where appropriate, and the check is received.

**Barring the late entry provision of one week, a school will not be allowed to enter a festival.**

3. **Use of Student Teachers:**

District V recognizes the important role its members play in mentoring university student teachers. Participation in district activities while under the guidance of the supervising teacher is valuable experience. However, district festival work assignments are for the district member to fulfill. A student teacher will NOT be considered a suitable substitute for a district member. They can, and should, attend, observe, and may participate under their mentor’s direct supervision in tasks such as running a room and announcing ensembles.

4. **Work Assignments:**

Each district member, after entering students in a festival or district event such as All-Star Weekend, will be given a work assignment designed to promote the smooth operation of the festival. It is the member’s responsibility to complete this assignment

as outlined in the MSBOA Yearbook. (See MSBOA Festival Worker Policy.) This includes attendance at the worker meeting held at the festival site. Failure to fulfill this work assignment will result in disciplinary action against the member.

**5. District V Junior High All-Star Weekend**

The Junior High All-Star Weekend selection committee will consist of the chair, the district Past President, and two members at large, appointed by the district President.

**6. Adherence to Festival Rules**

Each director is expected to follow the rules outlined in the State Yearbook. Each festival participant and its director are expected to conform to rules of good conduct, i.e., observance and care of property, proper behavior patterns and adherence to ALL rules. If a serious infraction has occurred, appropriate action will be taken up to and including disqualification from participation in festivals.

NOTE: Once an event has been accepted for an MSBOA Festival, there will be no refund of fees should the event cancel. Work assignments must be fulfilled regardless.

## Solo and Ensemble Information-Page 2

*The following are some of the rules which are commonly the cause of misunderstandings, please go over them carefully:*

1. A student may enter a maximum of three (3) events. If a student enters more than one solo, the solos must be on different instruments. Students may perform in two (2) Chamber Ensembles in addition to the above.
2. High school and junior high district festival performers will be allowed 6 minutes for setting up, tuning, and playing the event. The adjudicator will have an additional two (2) minutes for comments and completing the sheet.
3. Solos need not be memorized.
4. Repeats, D.C.'s, or D.S.'s may NOT be added to the music to meet minimum time requirements.
5. Each event MUST provide the adjudicator with an ORIGINAL copy of the solo or an ORIGINAL Full Score (aligned) of an Ensemble, with every measure numbered, or no rating will be given. Check the Yearbook for details.
6. If an accompanying piano part is published for an event, it MUST be played as part of the performance or no rating will be given.
7. Ensembles MUST perform with ONLY ONE person per part as defined by the score.
8. Chamber Groups do not have to play music from any designated list – free selection is permitted. Note the minimum and maximum time limits listed for Chambers in the Yearbook. However, any chamber music that is taken from the MSBOA “Suggested List” meets all qualifications for performance, regardless of performance time.

## District V MSBOA Junior High All-Star Weekend Information

The All-Star Weekend will be held on Saturday/Sunday, April 18th & 19th, 2020, at Shepherd High School.

Five to ten students (depending upon director response) will be chosen from each participating school. You may nominate up to 15 of your **top** players to be considered. Although there are 15 slots, it is not an obligation to fill all 15 slots. This event is open to only 7<sup>th</sup> and 8<sup>th</sup> grade students.

A committee will meet in February to select students based on director nominations. These selections will be made to fit the instrumentation provided by the conductors of the event. Placement of chairs and the selection of soloists (if the music calls for such) will be assigned at the conductors' discretion. Directors will be notified of selected students as soon as the nominations are finalized by the selection committee. Selected students will be provided music well before the weekend and are expected to learn the music to the best of their ability beforehand. Saturday's rehearsal time is limited.

Lunch on Saturday will be provided at no cost to the student. Hotel accommodations are not provided. Participants may choose to find a hotel in the area or commute. Directors may also choose to make reservations for their students to stay together. Be sure to inform families that there is a \$1.00 per person admission cost for the concert.

In order for your students to participate, you must fulfill a work assignment. You will be assigned to assist with rehearsals, lead a sectional, work in the office, or other duties as needed. You will need to remain on site for the full day on Saturday. Please refer to the MSBOA State Yearbook worker policy for further guidelines.

Rank these students in the order you wish to have them considered, then complete the Google Form with up to 15 of your top musicians. The Google form will be live in late January, and needs to be completed **NO LATER** than Friday, February 7, 2020. As soon as you receive the confirmation e-mail, have your Principal sign it and mail to the chairperson:

Dustin Vanderveer  
Bay City Handy Middle School  
601 Blend St.  
Bay City, MI 48706

cell: (989) 590-0426  
email: vanderveerd@bcschools.net

Your confirmation e-mail must be signed by your building principal, accompanied by a \$20.00 school entry fee, and postmarked on or before February 7, 2020. There will be a fee of \$10 per selected student due upon receipt of acceptance. All student fees must be postmarked no later than March 13, 2020.
